

# Fact Sheet: HoopsMania \$20 Fundraiser

## How to play

HoopsMania is an exciting sweepstakes fundraiser based on college basketball's national championship tournament. You earn 70% profit for every \$20 CharityMania Ticket you sell. Sweepstakes participants can win \$1,000s in prize money based on the total number of points scored by the basketball teams printed on the backs of their sweepstakes game cards.

Each game card is randomly assigned 8 teams (2 from each region) that will play in college basketball's national championship tournament. The teams are represented by their seed numbers and regions in the tournament. To play the game, participants simply add up all the points scored by their 8 teams throughout the tourney. The top 45 and bottom 4 scoring game cards all win prizes!

## Winning game card example

Say your game card has these teams. If they score more total combined points than any other card (over the course of the entire tournament), then you win the \$2,000 top prize!
